Forecast For Southwest England
Issued by Met Office Exeter
at 1600 on Friday 19 Mar 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Cloudy through the weekend and largely dry.

This Evening and Tonight:
Mostly dry with clear spells for some through the evening and night. A touch of grass frost in some areas before cloud gradually returns from the north by the morning. Minimum temperature 3 deg C (37 deg F).

Saturday:
Dry and largely cloudy across the region, although one or two brighter breaks may develop during the afternoon. Turning slightly breezy overnight. Maximum temperature 12 deg C (54 deg F).

Outlook for Sunday to Tuesday:
Staying mostly cloudy through this period, and largely dry, although the odd light shower or spell of drizzle remains possible. Any sunny spells are most likely on Tuesday. Feeling mild.
